Product / Digital operation / MKT

## SUMMARY

Performance & Growth-focused operator with hands-on experience in paid media optimization, content ecosystem operations, and KOL collaboration, backed by data-driven iteration (metric definition → hypothesis → validation → next action). Strong in funnel thinking, creative A/B testing, budget & bid optimization, and building reusable SOPs. Built a Xiaohongshu (RED) fashion IP from 0→1 with measurable follower and content performance.

## EDUCATION

### Hongkong Lingnan University

Aug 2023 - Nov 2024

Cultural Studies Master Faculty of Arts ( GPA : 3.46/4.00 )

Hongkong

Relevant coursework: Cultural Politics, Performance, Visual Culture, Popular Culture & Critical Thinking, Digital Labor, Sustainable Development & Cultural Studies

### Zhejiang Yuexiu University

Sep 2018 - Jun 2022

Communication ( GPA: 3.44/4.00 ) Bachelor Faculty of Communication

Shaoxing

Awards: Academic Excellence Scholarship (2020) | SPTR University Student Creative Advertising Competition (2021), 3rd Prize (Planning)

## PROFESSIONAL EXPERIENCE

### WPP Media (GroupM)

Jan 2026 - Present

Senior Executive, Performance (LVMH – DIOR)

Shanghai

- Managed **multi-account / multi-placement** performance campaigns for DIOR brands, executing ongoing optimization and **weekly/monthly** performance reporting.
- Ran **daily optimization routines** (audience/keyword exclusions, bid adjustments, budget allocation) to stabilize delivery and improve conversion efficiency.
- Drove **creative iteration cadence** (≈3 mockup batches/week) and structured **A/B testing**, using CTR/CVR diagnostics to guide next-round concepts.
- Built and maintained a weekly creative performance tracker; translated findings into clear “insight → action” recommendations for stakeholders.
- Aligned cross-platform strategies by leveraging hands-on knowledge of Xiaohongshu in-feed & KOL delivery mechanisms and JD Jingzhuntong media logic, ensuring consistent targeting, creative direction, and KPI definitions across platforms.

### Shanghai Baozun E-Commerce

Mar 2025 - Jan 2026

Marketing Specialist

Shanghai

- Owned information-flow performance optimization for health/FMCG brand with conversion objective = orders, managing multiple accounts and creatives.
- Improved overall performance with sustained iteration; delivered **+68% ROI** over 7 months and maintained **ROI > 1.6** (definition: GMV / Spend).
- Led RTA remarketing actions** (re-targeting audiences) and refined budget distribution to increase purchase conversions.
- Produced recurring analysis on **creative angles and funnel drop-offs**; upgraded the iteration loop from “making assets” to “data-backed decisions”.
- Ran **monthly client review meetings**, delivering performance readouts, optimization roadmaps, and budget allocation recommendations to support clients’ marketing decision-making.

### Shanghai Sailson Marketing Planning Company ( Internship )

Nov 2024 - Feb 2025

Overseas Social Media Community Operation Intern ( games ) Operations Department

Shanghai

- Supported overseas RPG game campaigns by coordinating with agencies via Email/Discord, handling KOL execution and timelines.
- Worked on TikTok KOL activations for titles including Echocalypse (RPG) and GoGo Muffin (RPG); tracked performance and produced weekly optimization notes.
- Analyzed KOL content and delivery data to propose content-angle improvements and posting strategy adjustments.

## PROJECT EXPERIENCE

### Xiaohongshu (RED) Personal IP (Fashion) — 0→1 Growth & Content Ops

Feb 2025 - Present

- Grew **+9,500 followers** in 6 months; produced **15+ viral posts** within 1 year; achieved **2 posts with 10k+ likes**.
- Iterated on topic selection, cover design, hashtags, and posting timing through a repeatable content SOP: **topic shortlist → draft → review → optimize → publish**.
- Built and operated a **100+ member community**, running daily engagement routines (guidance, check-ins, interaction prompts) to increase retention and content re-distribution.

## SKILLS LIST

- Product & Growth**: goal decomposition, user insight, funnel analysis, conversion optimization, A/B testing mindset, iteration & retrospectives, cross-functional collaboration
- Performance Marketing**: bid & budget allocation, negative/exclusion strategy, creative testing, remarketing (RTA), weekly/monthly reporting & insights
- Data & Analytics**: Excel (pivot tables, functions), platform reporting, dashboard-style analysis for problem locating
- AI & Automation Tools**: ChatGPT, Gemini; Cursor, n8n, Codex; workflow/agent/skill-based productivity setups; Notion, XMind
- Operations / Planning**: campaign planning & execution, resource coordination, project timeline & risk management, SOP building, partner/vendor communication
- Languages & Other**: IELTS 6.5; CET-6; Adobe PR/PS; Final Cut Pro
